New Business

Evergreen State Fair(Paul) – Dist. 3 provides an AA public information booth at the fair (late Aug-Labor Day) they are looking for financial contributions from each district \$150 to support the service, they are also looking for volunteers to work the booth(contact Steve and Leslie through Paul for more information) **Motion and acceptance of \$150 donation to the booth at the fair.**

\$500 check(Dwayne) – In February, 2025, an Investment group called Fidelity reached out with the intention of sending Dist.36 a donation electronically. After a period of time, and a bit of resistance, the same group sent a check via PO BOX to the district. Dwayne wants to know how the District would like to proceed. The group discussed how to confirm that the money came from an alcoholic so as not to break the 7th tradition. We also discussed the

assumption that a donation of this amount likely didn't come from a non-member. Dwayne will reach out to Fidelity to possibly confirm the source of the donation, as well as reach out to the Area 72 treasurer for clarity. Also discussed was the idea of the District creating a blanket policy for all donations not coming from the 7th Tradition to avoid a similar situation moving forward.
