District Chair reports

- **Archives – Allison** - no report
- **Corrections – Natalie** - continuing to hold women's meeting at Echo Glenn and have a once-a-month speaker meeting on the 4th Monday, looking for people to come and share their story.
- **ESIG Rep – Patrick** - As mentioned at our last meeting Patrick was voted in as an at-large board member during the October meeting starting in January so with the changes proposed above we as a district will still be included in the board meeting for the next two years. After that in the spirit of rotation Patrick will end that position; however, anyone from our district will be able to submit an application at that time if we care about the board happenings and of course anyone can attend the following meeting which happens at 7:30 in the same location at Kelsey Creek church. In fact each groups GSR is encouraged to attend that one.
- **Events – Jerry** – Next district event will be the alcathon on 12/24-25 at the hall in Duvall.
- **Grapevine and Literature – Erik** – Refilled the two places that have literature and was wondering if we should have literature available for sale at the Gratitude Dinner.
- **Gratitude Dinner – Natalie** – Most all volunteer positions are filled, all details were worked out, and insurance was purchased for the event. Amazing will be sung by an AA member. Kids 12 and under are free.
- **Web and Digital – Tami** – Meeting schedules were updated and GSR's were registered with the district. Please email Tami with any changes to meetings.

District Officer reports

- **Secretary – Greta** – Motion to approve minutes from October was approved.
- **Registrar – Tami** – see above report
- **Treasurer – Dwayne** – motion to review treasurer report and December meeting was approved.

- **Alternate DCM – Jeff** – nothing new to report
